

Basic Detail Report

Reclining Nude

Date

1921

Primary Maker

Paul Manship

Medium

Bronze cast

Description

This is a small bronze statue of a reclining nude female; it is done in the traditional style of the odalisque. Her left hip supports the weight of her body as she leans on her left elbow; her right arm rests over her waist. The left leg is bent behind her and the extended right leg crosses over the left leg. Her hair is a bob cut, popular at the time this was sculpted.

Dimensions

Overall: 15 1/2 x 9 1/4 x 6 3/4 in. (39.4 x 23.5 x 17.1 cm)
