Description

This is a gelatin silver print. "This wall of snapshots is in a window display down on First Avenue, it's outside of a trick store that also has a photo booth in it--an old-fashioned, black-and-white photo booth. These photographs have been added to over the years until, finally, it's quite a remarkable set of photographs. I've had this window filed away in my mind for quite a long time,

and this picture started when I decided to try and photograph what hope is." {See entry for "We the People" in A PROGRESS REPORT ON CIVILIZATION, BURK UZZLE (Norfolk, Va: The Chrysler Museum, 1992), n.p.)}
