Description

Worn figurine of a man. In spite of the bad state of conservation one can still see that he's standing, his left leg slightly forward, his left arm hanging along his body and his right one flexed against his chest, holding a stick. He is dressed in a lappet wig and a robe of the type worn by the living, with elbow-length sleeves and a bulging front panel. ; A small dab of green faïence remains near the foot.;
