

Brandy Bottle With Stopper

Primary Maker

Unknown

Medium

Glass | Metal | Pewter

Description

Bottle/brandy (schnapsflasche). Rectangular with tooled vertical pair of ribs at each corner. Double dipped (German half-post). Attached metal (pewter) screw top and cap. Clear but with few impurities. Enamelled "peasant style". With white, rust, green, blue, yellow and a few black lines. Mostly floral with the top of one side a fox standing on hind feet churning butter.
