

Basic Detail Report

Inkstand

Date

ca. 1813-1850

Primary Maker

Coventry Glass Works

Medium

Mold blown glass

Description

This inkstand is a mold-blown glass drum shape with rounded top and flat collar around a small round mouth, with a geometric design (McKearin GII-15) and with a wide band of small diamonds and dots (4 diamonds high) on the upper side, and a horizontal ring, then short vertical ribbing, and a plain base with pontil mark.

Dimensions

Overall: 1 3/4 in. (4.4 cm) Base: 2 1/4 in. (5.7 cm)
