

Basic Detail Report

Pitcher with Parrot Motif

Date

ca. 1905

Primary Maker

Louis Comfort Tiffany

Medium

Ceramic

Description

Molded ceramic pitcher with an applied handle. In relief on body are two large parrots (?). The exterior has a pastel green glaze with yellow highlights on the feathers. The birds are outlined in yellow and irregular yellow patches are on the handle. Patches of olive-green are on the neck, one of the birds, and below the handle. The interior has a pastel green glaze with yellow patches on the neck.

Dimensions

Overall: 8 3/4 in. (22.2 cm)
