## Globular Vase with Long Neck and Stylized Floral Decoration

### Date

1736-1795

### Primary Maker

Unknown

### Medium

Porcelain | Underglaze | Enamel

### Description

Bulbous vase has cup-shaped upper neck, everted lip rim. Disc encircles center of neck. Interior white, underglaze blue hash marks on lip rim. Exterior is "cafe au lait" brown with a blue and white band encircling shoulders and four large circular blue and white medallions encircle body. These areas consist of floral patterns. Brown glaze stops 3/4" short of foot, even edge; exposed body greyish. Brown slightly iridescent. Bottom slightly concave, no foot rim. Lip chipped in 4 places, mending and overpaint removed 7-21-50.

### Dimensions

Overall: 7 1/4 in. (18.4 cm)
