

Basic Detail Report

Circular Mirror with Decoration of Intertwined Stylized Dragons

Date

480-221 B.C.E.

Primary Maker

Unknown

Medium

Cast bronze

Description

Silver bronze mirror. Back has an upturned rim with a plain .50" border. Central register contains relief design of entwined stylistic dragon and lozenge shapes in scrollwork. The ground contains a barely discernible pattern of small spirals. Another plain rim & a narrow band of spiral design encircle a central ridged and perforated base. Front of mirror heavily encrusted with perhaps one-quarter of the surface area showing clear bronze.

Dimensions

Overall: 6 3/8 in. (16.2 cm)
