## Worcester 'Two Quails' Pattern Teabowl and Saucer

### Date

ca. 1780

### Primary Maker

Worcester Porcelain Company

### Medium

Porcelain

### Description

This is a Worcester "Two Quails" pattern teabowl (A) and saucer (B) painted in underglaze blue and "clobbered" in iron-red and gilding with an insect hovering above a brace of quail walking amidst feathery plants within two bands of dots at the cafe-au-lait edged rim. The teabowl has the insect on the reverse and a shrubbery vignette in the center. Both are marked with underglaze blue crescent marks. The footrim of the teabowl has a chip.

### Dimensions

3 in. (7.6 cm) 4 15/16 in. (12.5 cm)
