## Oval Dish

### Date

ca. 1760-65

### Primary Maker

Worcester Porcelain Company

### Medium

Porcelain

### Description

This is an unusual Worcester scalloped oval dish molded with four lobes alternating with four flutes and painted in pastel shades of rose, yellow, blue, brown, and green with a floral bouquet and scattered sprigs. It is a little misshapen and slightly gritty on the rim edge.

### Dimensions

9 3/8 in. (23.8 cm)
