## Worcester Fluted Creamboat

### Date

ca. 1754-56

### Primary Maker

Worcester Porcelain Company

### Medium

Porcelain

### Description

This is a Worcester fluted creamboat. The exterior is painted on either side in famille-rose enamels with an oriental floral spray. The center of the interior has a willow tree on an island beneath a trellis diaper border interrupted with panels of demiflowerheads around the scalloped rim. The angular handle has a scroll thumbpiece. The spout has a hair crack.

### Dimensions

2 1/4 x 4 1/4 in. (5.7 x 10.8 cm)
