

Mercury

Date

1550-1599

Primary Maker

Giambologna

Medium

Gilded bronze cast

Description

This gilt bronze statuette is of the ancient Roman messenger of the gods, Mercury. His gold body looks like it is in motion as he reaches up with one hand and kicks his leg out behind him. He has wings on his heels and is on a black stand.

Dimensions

Overall: 17 5/8 in. (44.8 cm)
