

Prototype Fragment of a Column

Date

ca. 1900-1920

Primary Maker

Tiffany Studios

Medium

Favrile glass tesserae embedded in plaster

Description

Gold and blue favrile glass tesserae are embedded in curved plaster to simulate a column. The tesserae form a pattern of two chains with interspersed pendant crosses, ending alternately with cross and tassel.

Dimensions

63 1/2 x 8 1/2 in. (161.3 x 21.6 cm) Base: 5 1/2 in. (14 cm)
