

## Chinese Export-Style Coffee Cup

**Date**

ca. 1770-75

**Primary Maker**

Worcester Porcelain Company

**Medium**

Porcelain

**Description**

This is a Worcester Chinese Export-Style Coffee Cup. It is decorated after a Chinese Export porcelain original made for the Continental market, the front with two elaborate gilt ciphers within a cartouche formed by the pseudo crest of a pair of iron-red flaming hearts within a foliate wreath surmounted by a gilt ducal coronet at the top, a pair of angels holding green fronds at the sides and standing on the tips of bow knotted foliate garlands forming the bottom of the cartouche, the reverse with a grooved loop handle between a gilt floral sprig on either side, and the rim with a gilt spearhead border. It has chip on the rim.

**Dimensions**

2 1/2 in. (6.4 cm)
