

Basic Detail Report

Pair of Worcester 'Pickle Leaf Vine'

Pattern Vine Leaf-Shaped Pickle Dishes

Date

ca. 1765

Primary Maker

Worcester Porcelain Company

Medium

Porcelain

Description

This is a pair of Worcester "Pickle Leaf Vine" pattern vine leaf-shaped pickle dishes. The exterior is press-molded with a network of veining issuing from the short stem handle. The interior is painted with a grape leaf, two clusters of grapes, and tendrils encircled by flowering branches and floral sprigs within the blue-feathered serrated rim edge. There are rim chips.

Dimensions

3 1/4 in (8.3 cm)
