Description

A landscape scene of a beach shoreline along a grassy hill. The left side of the scene is the sea with large rocks crashing along a white sandy beach, in the middle section of the canvas. Two red canoes also sit in the beach. The center of the scene is divided by a roadway that edges along the green hill, and just on the other side are four, white bungalow houses with bright red roofs. The scene is at either evening or daybreak as there are numerous clouds in the sky and an orange tinge in the background.
