

## Cobalt Chalice with Floral Knop

### Date

ca. 1885

### Primary Maker

Salviati Dott. Antonio

### Medium

Blown and applied glass

### Description

Deep blue glass. Trumpet-shaped flute and blown foot; optic moldblown spiral-ribbed patterning. Applied decorations, rendered in deep blue glass with traces of hot-applied gold leaf: this threads wrapped below rim; two rigaree rows, with raspberry prunts between, at base of cup. Complex triple-knopped stem of colorless glass with traces of hot-applied gold leaf; three leaves (blue glass

with traces of hot-applied gold leaf) and three flowers (colorless glass with traces of hot-applied gold leaf).

### Dimensions

13 in. (33 cm)
