

Basic Detail Report

My dad always had a smile on his face so we named the company "Kruger & Sons, Home of the Happy Pickle." We are the most efficient pickle-packing plant on the West Coast, processing eight to ten million pounds of cucumbers each year. I started sorting

pickles when I was ten years old. Dad would bring them home from work.

Tri-Valley Area, Northern California

Date

1975

Primary Maker

Bill Owens

Medium

Gelatin silver print

Dimensions

8 × 10 in. (20.3 × 25.4 cm)
