

Basic Detail Report

Dolphin Candlestick

Date

ca. 1877-1914

Primary Maker

Unknown

Medium

Blown and tooled glass

Description

Single object, likely once part of a pair. Opalescent glass; optic moldblown patterning of ribbing for tulip-shaped candle cup and foot; cup has raspberry prunts and lip wrap of glass with traces of hot-applied gold leaf. Dolphin stem of colorless glass with traces of hot-applied gold leaf; head atop foot and tail curling upwards.

Dimensions

5 in. (12.7 cm)
